I would like to thank everyone for the outpouring of texts, calls, emails, and facebook messages. It is very touching to know how many people's lives he and I impacted. I made the most unselfish decision I have ever had to face in my life today at 3:30 as I held and said goodbye to my grand ole man and best friend. Primo was my once-in-a-lifetime dog with a heart bigger than himself. He loved me unconditionally and did everything he could to please me. We achieved my wildest dreams and those priceless memories will be with me always. We did it old man... the unthinkable: Best in Shows, two time DCA Best of Breed winner, Top Producer, Field Champion with an Absolute despite my handling skills, Junior Earth Dog, we made the record books... I had more dreams but God was ready for you. I will thank God daily for allowing you to be my dog. You have taught me so much and I will cherish our time together and our awesome adventures and memories and smile as I see glimpses of you in your progeny and legacy left here at Solo. DCA Nationals seems unbearable at this time but I plan to put on a brave face and smile as I show some of your legacy. Rest easy my boy. I will see you at the rainbow bridge. Until then, enjoy endless dog shows, bunny chases and rat hunts.

The house seems empty tonight without the King... DC SOLO'S PREMIERE SL JE.
